## HUB ACQUIRES MIDWEST CONTAINER

Hub Plastics is pleased to announce that it has acquired Midwest Container of Barnhart, Missouri. Founded in 1980 in the St. Louis area, Midwest features over 300 different combinations of blow-molded stock bottles in HDPE, LDPE, and PET. With a wide range of extrusion blow molding platforms, Midwest works closely with its customers to meet their specific needs while maintaining tight quality standards and superior service.

Midwest Container will now be known as Hub Plastics – Midwest. We welcome the team at Midwest to the Hub family. Please click [HERE](#) to visit the Midwest website and the extensive catalog of stock bottle offerings.

Previously, Hub acquired the former Pro-Gram Plastics of Geneva, Ohio in 2019 and Quality Service Products of Columbus, Ohio in 2022. With the addition of Midwest Container, Hub Plastics now offers:

- Three well located and complementary manufacturing facilities.
- Hundreds of stock mold available bottles with hundreds more configurations.
- Diverse material offerings including HDPE, LDPE, PET, PP, and PCR blends.
- Wide range of blow molding equipment for custom projects.
- Flexible cavitation to meet specific usage requirements.
- Low entry cost for custom projects with in-house mold and 3D product design expertise.
- Added capacity and short lead times for both custom and stock projects.

Hub is pleased to welcome Midwest's customers! You will be hearing from us separately on important details related to the transition. Please be sure to check out our website at [www.hubplastics.com](http://www.hubplastics.com). You may also reach out to our sales team with any questions:
